LUXE

Enjoy the "Luxe" look today on almost any product we offer. The color Black has become one of the best compliments to any hot tub or swim spa and we've integrated this into many of our products. Order your desired color choice and make it "Luxe" to integrate Black into the design. Please consult with your local dealer on final color selections and availability.

A great way to improve entry and exit into a hot tub is by adding depth to the top step. Order any A&B step with a "three board top" or "four board top" to improve functionality!
